

Volunteer! Get Trained! Start a Meeting!

Would you like to have more SMART meetings in your area?

SMART is a **volunteer organization** and all meetings are run by volunteers. This means that we will have more meetings *only* when we have more volunteers. It's as simple as that!

Each April, SMART Recovery celebrates **Volunteer Month** to not only recognize the efforts of our many dedicated volunteers, but also **to encourage others** to share in the rewarding experience of volunteering.

"One of the very best things I have ever done for myself was to volunteer. It's amazingly rewarding to be able to help other people find what I have found in SMART!"

*~G. Williams
Meeting Facilitator*

During Volunteer Month, full **Training Scholarships** are available for new volunteers who qualify for financial assistance to cover the cost of the SMART Recovery volunteer training. To learn more about our training program, visit bit.ly/SMART_Training.

Volunteer Training Scholarships are available for all volunteers, whether your plan is to become a local or an online facilitator, message board volunteer, or chat volunteer.

Applications for Volunteer Training Scholarships will be accepted for the entire month of April. If you've been considering volunteering at SMART Recovery, now is a great time to get trained, get involved, and experience the rewards of helping others make a difference in their own lives.

Application Process

Face-to-Face Volunteers are eligible to apply for Volunteer Training Scholarships during Volunteer Month. **We encourage you to apply as soon as possible.** Applications can be found at this link: <https://www.surveymonkey.com/r/VolunteerMonth2017>.

If you enjoy and appreciate your face-to-face SMART Recovery meeting, let your facilitator know! And plan on joining the growing team of dedicated facilitators worldwide. **We look forward to your participation in the training, and to adding you to the team.**
